

HOME EFFICIENCY REBATE ACKNOWLEDGEMENT FORM

I, _____, hereby acknowledge and agree that the statements
(Name)

Initialed below are accurate:

	The Energy Advisor has performed a blower door test as part of the initial energy audit.
	The Energy Advisor has performed a blower door test as part of the final energy audit.
	Having actively implemented air sealing in the home, the tenant and/or homeowner intends to claim air sealing/draft-proofing as a qualifying measure for the program. Such air-sealing measures may have included sealing gaps around windows/door frames, floor vents, basement floorboards, attic hatch, light fixtures, fireplace, walls or pipe, applied insulation to basement headers, applied insulation to an exposed floor area, etc. All air sealing/draft-proofing requirements were completed between the initial home energy audit and the final home energy audit.
